

TOWN OF NEW GLOUCESTER **RECYCLING INFORMATION**

TRANSFER STATION HOURS
TUESDAY & THURSDAY 9:00 AM - 7:00 PM
FRIDAY 9:00 AM- 2:00 PM
SATURDAY 9:00AM-5:00 PM
Closed Monday, Wednesday and Sunday

264 Bald Hill Road
Telephone (207) 926-3145

This is a list of materials that the New Gloucester recycling station is accepting and information on how to get your materials ready for the recycling station. Please put your recyclable materials in the correct window and/or container provided. The containers are all clearly marked. Any questions can be answered by a transfer station attendant. Please help us help you. The dollars we are saving by recycling are yours.

One important factor to remember is all recycling materials must be clean.

NEWSPAPER AND MAGAZINES

CORRUGATED CARDBOARD ONLY

Boxes, flats or just about any piece; we do not recycle cardboard with wax coating.
Brown paper bags can also go in with the corrugated cardboard.

MIXED PAPER AND PAPERBOARD

Mixed paper is all types of paper: computer, envelopes, junk mail, shredded, cards, note paper, etc.
Paperboard examples: cereal boxes, mac & cheese boxes, frozen foods boxes,
gift boxes, pizza boxes, egg cartons, juice and milk cartons

Recycling bins for plastic bags are located at grocery stores

(over)

ALUMINUM & TIN CANS

Aluminum pie plates, aluminum TV trays and aluminum cans.
Cans must be rinsed clean and labels removed. This includes any product that comes in a tin can (examples: vegetable, coffee, dog food, cat food, etc.)

GLASS JARS/BOTTLES ONLY **REMOVE ALL CAPS AND LIDS**

CLEAR, BROWN AND GREEN
(Jars/Bottles must be clean)

The containers must be rinsed out. You do not have to remove the neck rings or labels.
DO NOT place window glass, car windshields, mirrors, ceramic glass or light bulbs in recycling containers.

CFL Light Bulbs must be given to Attendant

HDPE PLASTIC

BIN # 1 - PLASTIC CONTAINERS ONLY HDPE # 2

REMOVE ALL COVERS AND LIDS

CLEAN CONTAINERS ONLY!!

There are different kinds of plastic. The kind that we recycle has a dull look, you cannot see through it, such as milk jugs.

BIN # 2 - PLASTIC CONTAINERS ONLY HDPE # 1, 3, 4, 5, 6, & 7

ALL BATTERIES ARE RECYCLABLE

USED OIL IS RECYCLABLE
(used to heat the Public Works Building)

RECYCLING REDUCES YOUR TOWN EXPENSES

THANK YOU
