

**Town Manager Update Report**  
**June 10, 2016**

Below is a brief update regarding the week in review:

We received an abatement application this afternoon that would require executive session. As the board has 30 days to review the application, we will need to take it at the next meeting. Since this will be a busy meeting, appointments, rollovers and may include an ES for the manager review, my suggestion would be for the board to start the Assessor's meeting at 6:30 and to hold the abatement ES from 6:30 – 7:00 pm.

Today's Sun Journal included the following article on the cover of the City section

<http://www.sunjournal.com/news/lewiston-auburn/2016/06/09/former-new-gloucester-worker-loses-bid-damages/1939795>

Otherwise, I do not have significant news to report that you have not already received. Staff has stayed busy this week with the usual business expected this time of year, boat registrations, tax collection, mowing, pot hole filling, planning and set-up of the kayak station, etc...

Have a good weekend.
