

Minutes of the Environmental Resources Committee Oct. 10, 2019

Present: Douglas Smith, Diane Aromando, Trudy Hodgdon, Tony Hodgdon, Morgan Rocheleau, Scott Hastings, Joanne McKee

The meeting came to order at 10:05.

The September minutes were approved.

Financial report: funds are still available for projects.

Trudy wrote the annual report for 7/2018 - 6/2019 and was thanked by members.

Sabbathday Lake erosion/culvert problems: The Sabbathday Lake Association has given \$1000 towards a study of the problems .The scope of the project and estimated cost must still be figured out as well as looking into grants to fund the project.

Scott Hastings led a review of the Comprehensive plan to date involving natural resource and water resources.

Fairgrounds: Bulbs from FEDCO have arrived and must be planted. Mulch needs to be spread and gardens weeded and some plants deadheaded. Thurs. Oct 17 at 8 am was scheduled to do this with a rain date of Sat. the 19th at 8 am. Joanne will try to contact some of the people that signed up at the Community Fair as potential helpers as well as a few previous committee members.The mail box will be taken down and stored at Joanne's home.

The November display at the library will be "Don't dump it, Donate it". Various places to do this will be highlighted with the display to be put up Friday Nov. 1 at 9 am. Tony, Trudy and Joanne will work on this with help as needed.

Tabled for the November meeting: The RRCT and lower village project, a volunteer to write environmental news for the NGxchange.

The President of the SLA will be invited to attend the November meeting.

The meeting adjourned at 12:00.

Respectively submitted,
Joanne McKee, Secretary
