Closed Monday, Wednesday and Sunday

264 Bald Hill Road Telephone (207) 926-3145

This is a list of materials that the New Gloucester recycling station is accepting and information on how to get your materials ready for the recycling station. Please put your recyclable materials in the correct window and/or container provided. The containers are all clearly marked. Any questions can be answered by a transfer station attendant. Please help us help you. The dollars we are saving by recycling are yours. Recycling reduces trash disposal costs!

One important factor to remember is all recycling materials must be clean!

NEWSPAPER AND MAGAZINES

CORRUGATED CARDBOARD ONLY

Boxes, flats or just about any piece; we do not recycle cardboard with wax coating.
Brown paper bags can also go in with the corrugated cardboard.

MIXED PAPER AND PAPERBOARD

Mixed paper is all types of paper: computer, envelopes, junk mail, shredded, cards, note paper, etc.
Paperboard examples: cereal boxes, mac & cheese boxes, frozen foods boxes, gift boxes, pizza boxes, egg cartons, juice and milk cartons

Plastic Bags cannot be recycled. They can be recycled at grocery stores.

ALUMINUM & TIN CANS

Aluminum pie plates, aluminum TV trays and aluminum cans. Cans must be rinsed clean and labels removed.
This includes any product that comes in a tin can (examples: vegetable, coffee, dog food, cat food, etc.)

GLASS JARS/BOTTLES ONLY

CLEAR, BROWN AND GREEN

PLEASE REMOVE ALL CAPS AND LIDS

The containers must be rinsed out and clean. You do not have to remove the neck rings or labels. **DO NOT** place window glass, car windshields, mirrors, ceramic glass or light bulbs in recycling containers.

CFL Light Bulbs must be given to Attendant

THERE ARE TWO RECYCLE BINS FOR PLASTICS

One for: HDPE #2 PLASTIC CONTAINERS ONLY

PLEASE REMOVE ALL COVERS AND LIDS AND CLEAN CONTAINERS ONLY!!
(There are different kinds of plastic. The kind that we recycle has a dull look, and you cannot see through it, such as milk jugs)

One for: HDPE # 1, 3, 4, 5 & 7 PLASTIC CONTAINERS ONLY

Styrofoam is not recyclable!

LIGHT METAL

Iron, Brass, Bronze, Appliances, Refrigerators, Freezers, Air Conditioners, etc

ALL BATTERIES ARE RECYCLABLE (*see Attendant*)

USED OIL IS RECYCLABLE (*see Attendant*)
(and used to heat the Public Works Building)

NO LARGE DRUMS OR CLOSED METAL CONTAINERS

RECYCLING REDUCES YOUR TOWN EXPENSES

THANK YOU
