

Town of New Gloucester Municipal Officers Statement on Racist Action on Intervale Road
December 7, 2022

The Town of New Gloucester Municipal Officers and Town Manager were informed this week that a swastika was painted on Intervale Road. The Municipal Officers and Town Manager strongly condemn this action and find the display of racist, antisemitic symbols totally opposite to the values of the Town of New Gloucester. Furthermore, the Town unequivocally wants to send a message that those viewpoints are not welcomed in New Gloucester. The Town of New Gloucester is committed to a diverse and all inclusive community. Any individual who participated in this action will be referred to the Sheriff's Department for prosecution as well as any individual who commits this type of vandalism in the future.
