

New Gloucester Water District

Wednesday, August 3, 2022, 5 PM

New Gloucester Meetinghouse

Call to Order: Norm Chamberlain, Lori-Ann Wilson, Vaughn Hardesty, and Dianna Jordan in attendance.

Approval of June 13, 2022 Minutes: Moved to accept by Vaughn and 2nd by Norm.

Operations Warrants and Financials: Agreement to pay bills was approved by a motion from Dianna and 2nd by Vaughn with unanimous consent. Financials and accounts receivable are up to date. There was discussion and questioning about possible leaks in the system. Mike did investigate.

Operations: Norm will plan to call Frank about pump replacements. Information was not readily available.

Other Items: The PFAS testing can be done by Mike through L-A Labs in Auburn. Discussion about possible options to move NGWD files concluded with Norm's suggestion to take a closer look and perhaps move all pertinent files to the pump house.

Next Meeting: Tentatively scheduled for Monday, September 12, 2022 at the Meetinghouse at 5 pm.

Adjourn: Motion was made to adjourn by Vaughn, 2nd by Norm and unanimous consent.
