

Town of New Gloucester
Invitation to Bid
Sand & Gravel

The Town of New Gloucester is accepting bids for sand and gravel that will be used for summer road projects and winter sanding. The Town will accept picked up or delivered pricing for sand and gravel. Bid specifications may be obtained at the Town Office, by calling 926-4126 ext. 1, by emailing smyers@newgloucester.com or on our website www.newgloucester.com

Bids shall be submitted in a sealed envelope clearly marked, "**Sand & Gravel Bid**" to the Town Manager, Bill Kerbin, New Gloucester Town Office, 385 Intervale Road, New Gloucester, Maine, 04260, by 6:00 p.m., Monday, June 17, 2024. Bids will be opened and read at the regular Municipal Officers meeting at 7:00 p.m., Monday, June 17, 2024 at the New Gloucester Meetinghouse, 389 Intervale Road, New Gloucester, Maine. The Town of New Gloucester Municipal Officers reserves the right to reject or accept any bid if it deems it in the best interest of the town to do so.

Town of New Gloucester Sand and Gravel Specifications

This is an invitation to submit a bid to the Town of New Gloucester for a twelve-month contract (July 1, 2024 – June 30, 2025) to furnish Sand and Gravel. It is the intent and purpose of this specification to describe material to be used for both summer road projects and winter sanding needs. The Town of New Gloucester or the successful bidder, will transport the sand and gravel from the company's location to the Town of New Gloucester storage facility.

The Town of New Gloucester may purchase any of the following.

- A. **Aggregate Sub-base** shall consist of hard, durable sand or gravel particles with no vegetative matter, lumps, or balls of clay. The gradation for base gravel shall be in accordance with the following:

<u>Sieve Design</u>	<u>Percent by Weight Passing a Square Mesh Sieve</u>	1/4 inch
25-70%		
No. 40	0-30%	
No. 200	0-7%	

No rock shall exceed six (6) inches in any dimension.

- B. **Base Aggregate** shall be sand or gravel of hard, durable particles free of vegetative matter, lumps, or balls of clay.

<u>Sieve Design</u>	<u>Percent by Weight Passing a Square Mesh Sieve</u>
1/2 inch	45-70%
1/4 inch	30-55%
No. 40	0-20%
No. 200	0-5%

No rock shall exceed two (3) inches in any dimension.

- C. **Surface Gravel** shall meet a minimum specification as follows. Free of vegetative matter, lumps, or balls of clay. Gravel shall be of hard, durable, angular particles with enough fines to bind material together for compaction. If cleaner gravel is needed, the Town may use M.D.O.T. Type A specifications.

Standard Surface Gravel:

<u>Sieve Design</u>	<u>Percent by Weight Passing a Square Mesh Sieve</u>
2 inch	95-100%
1/2 inch	30-65%
No. 200	7-12%

D. **M.D.O.T. Type A Gravel**

2 inch	100%
½ inch	45-70%
¼ inch	30-55%
No. 40	0-20%
No. 200	0-5%

E. **Winter Sand**

The Town of New Gloucester will also purchase winter sand throughout the winter. The winter sand must be free of vegetative matter, lumps of any type, and screened according to the chart below.

Clean, sharp sand with a maximum size of 3/8 inch and 0-3% passing the 200 sieve. Clean, coarse sand meeting the following gradation:

<u>Sieve</u>	<u>% Passing</u>
3/8"	100
# 4	80-100
# 50	0-35
# 200	0-3

The Town of New Gloucester may perform tests on material for gradation using a lab of the town's choosing. Documentation of lab results will be provided to the supplier upon request. If the tested material passes, the Town of New Gloucester will pay for the test. If the material fails, the supplier will reimburse the Town of New Gloucester for the cost of the testing procedure.

Any additional tests shall be at the supplier's cost.

Bidding Instructions

Bidders shall submit sealed bids on the attached bid tab in a sealed envelope marked, “**Sand & Gravel Bid**” to the Town Manager, Bill Kerbin, New Gloucester Town Hall, 385 Intervale Road, New Gloucester, Maine, 04260 by 6:00 p.m., Monday June 17, 2024. Bids will be opened and read at the regular Municipal Officers meeting at 7:00 p.m., Monday, June 17, 2024 at the New Gloucester Meetinghouse, 379 Intervale Road, New Gloucester, Maine.

Bidders shall provide a certificate of liability insurance with their bid that names the Town of New Gloucester as an additional insured and provides at least \$1,000,000 liability insurance. If applicable, bidders shall also provide a certificate of Workers’ Compensation insurance.

The Town reserves the right to accept or reject any bid if it deems it in the best interest of the Town to do so.
