Ted,
attached is the build sheet for our in-stock 2020 Silverado Medium duty truck- This has an 11' , 4-5 yard Airflo dump with Hitch and double acting 11 ton hoist . Perfect Municipal spec- does not require CDL and is big enough for heavy duty use and small enough for everyday basic use. The cost for this is \$69,000.00
As you are aware, inventory nationally is at historic lows and we don't anticipate any immediate relief from that. An optimistic time frame for an ordered unit would be first quarter of 2021 for the 3500HD and 2nd quarter for Medium duty
Let me know if you have any questions!

Ted, I just woke with the owner-we'd be able to split that difference and trade at \$60,750- but unfortunately due to the current state of inventory, we're not able to hold vehicles at the present time. I wish I could! That's a great trade

How much of a deposit would hold the truck until next Monday?

If a deposit is possible.

Ted

John,

I assume the window sticker does not include the body?

**Town of New Gloucester
INVITATION TO BID
2020 or 2021 One Ton Dump**

The Town of New Gloucester is requesting bids for a One Ton Dump, 13,200 (minimum) GVWR truck cab and chassis with dump body. Specifications may be obtained at the Town Office, 385 Intervale Road, New Gloucester, Maine, 04260 during regular business hours, by emailing smyers@newgloucester.com, or by calling 207-926-4126 ext. 1.

Bids must be submitted in a sealed envelope clearly marked on the exterior, “**2020 or 2021 One Ton Dump**” to the Town Manager by 6:00 p.m., Monday, September 21, 2020. The Board of Selectmen will open and read the bids at 7:00 p.m., Monday, September 21, 2020 at their regularly scheduled meeting. The Town reserves the right to accept or reject any or all proposals.

Town of New Gloucester, Maine
1 Ton Cab and Chassis
Requests for Bids
September 2020

The Town of New Gloucester is soliciting bids for one new 2020 or 2021 One Ton Dump truck.

Bids must be submitted in sealed envelope clearly marked **“One Ton Dump”** and are due to the Town Manager at New Gloucester Town Hall, 385 Intervale Road at 6:00 p.m., Monday September 21, 2020. Bids will be opened and read at the Selectmen’s meeting at 7:00 p.m., Monday September 21, 2020 at their regularly scheduled meeting.

Any specifications that do not meet minimum specifications should be identified on the bid submission form. All bids should be submitted on the bid submission form. Each engine submitted shall be required to demonstrate that has been in operation for a minimum of three [3] years.

Specifications should classify and describe a standard production model, considered necessary to perform the work necessary for the municipal requirements of our climate zone. This standard production model shall have been produced for a minimum of three [3] years.

All equipment furnished must be new and unused and the same as the manufacturer’s current production model. Accessories not identified, but necessary to complete the unit, shall be included. The unit shall conform to the best practice known to the body trade in design, quality of materials and workmanship. Assemblies, sub-assembles and component parts shall be standard and interchangeable, as listed in the following specifications.

Any questions about this specification should be directed to the Public Works Director, Ted Shane, during regular business hours, Monday thru Thursday 6:30 A.M. to 5:00 P.M. Contact information is 207-926-4574 or tshane@newgloucester.com.
